Crazy Art Crayons, pencils, and watercolors do not provide good color, they do not work well and though they are cheaper, they are a waste of your money.

Ticonderoga Pencils are of a much better quality as well, other brands don't sharpen well or break much easier.

**Label all items with the student's name. These supplies will be not be shared.

Extras will be saved and used through out the year (do not label supplies)
